Come and hear some new and classic ghost stories as we walk the streets of Strasburg stopping at our haunted destinations. Listen to tales of objects being moved without explanation, sightings of apparitions and learn about the history and beautiful architecture of our haunted homes! Enjoy walking through Strasburg's Historic District and viewing decorated homes for the Halloween season. This is a family friendly event so we hope to see all ages joining us for this entertaining and educational event. Come out to support the Strasburg Heritage Association as we continue to preserve and share the history of the Strasburg community! The only thing you have to be afraid of is the fun you will be missing if you do not attend!
